

August 28, 2009

Dear Parents,

First let me extend my thanks and appreciation to you for helping Hope Academy start off its first school year successfully. Faculty, staff, and students have had a productive week. We look forward to continuing on this path to success.

Again, I will extend the invitation to you to sign up to volunteer or mentor. We need parents to be active members of several school committees, as well as a Parent-Teacher Organization. If you are interested, please pick up the appropriate registration form. We would be happy to have you on campus.

As a reminder, please go over the student handbook with your child(ren), especially concerning the areas of dress code. Even though jeans are permitted, they must not be too tight or sagging. Also, only white undershirts are permitted. We appreciate your assistance in making sure all of our students are fitting examples of everything Hope Academy represents.

The next important dates for Hope Academy are as follows:

September 7, 2009—Labor Day, No School

September 17, 2009—Open House @ 6pm in the 2nd floor Gymnasium

If you have any questions or concerns, please contact me either by phone or via email. I appreciate your input and feedback. Also, please visit the Hope Academy website, www.hopeacademyeagles.org--it is a great place to get information about our school, including upcoming events. I believe that only as a team will we be able to help our youths become successful and productive.

Best wishes for this school year,

Amber Wilson
Principal
