

GED Prep at Hope Academy

GED prep at Hope Academy helps youth prepare for the five (5) General Educational Development (GED) tests (a high school equivalence examination).

Skills taught:

- Social Studies
- Math
- Science
- Language Arts Reading
- Language Arts Writing

Hope Academy offers preparation for the General Education Development tests via **online** curriculum. Cost for the program is \$150* which includes test registration. Payment must be received before student is permitted to attend class. Applicants must be 18-21 years of age to participate and can attend classes from 5pm-9pm, Monday through Friday.

Students needing extra assistance may receive tutorials from our highly-qualified faculty in the content area needed.

Behavior

Proper behavior is expected of participants at all times while on the Hope Academy campus. Any student who is not able to conduct themselves in a proper manner is subject to dismissal from the program without a refund.

*Students needing more than one academic school year to complete the program may be subject to additional charges.
